Will include some notes.

The William G. Hill Civil War letter gave us the date of John Hill's death. We had found other records, will, land etc. in Talladega, Co. Ala. that confirmed that John Hill was the father of William G.

I'm sure you have the records from the Ark. histories, also mention of Jesse Hill in Ark. Conf. Index. I think you can find them in Hamburg Library.

You will find information on George in Alabama.

If you could put copy of our information in Hamburg library it could help other

researches and help add  
to this line.

Have fun researching  
and any new discoveries  
pass on to us.

Edward,

I am copying the following document that we received from a lady by the name of Roberts while on a trip to Sevierville Tennessee a couple of years ago. We had visited Wilbur Hill in Bessemer Alabama and he told us about the Hill cemetery in Sevier county Tennessee and told us how to get to the cemetery. We didn't follow his directions very well and had to stop out in the country and ask for help. The folks we visited with were very nice and showed us how to get there and they told us we should check with the Roberts lady that worked at the drug store as she had some connections with the Hills buried in the cemetery. We contacted her after we had been to the cemetery and she had this single sheet about the Hill ancestors that one of her distant relatives had written before old age caught up with him. She made a copy for us and it is really in bad shape and I don't think it would be legible if it were copied again so I will try to retype it.

#### HILL ANCESTORS

Our Kyler ancestors came from Wales to the Carolinas in 1660. Elizabeth and her people came and settled at Beans Station, now Grainger County Tennessee about 1770.

Our Hill ancestors came from England in the sixteenth century, and settled in the Carolinas.

My great Grandfather, John Hill, was born about 1750 in North Carolina. His father was a descendent of English, Scotch and Irish birth. His mother was Irish and American Indian. He came from North Carolina to the Wautauga Settlement on the Wautauga River, now Carter county Tennessee about five years before the beginning of the Revolutionary War. He served with John Savier at the Battle of Kings Mountain in 1780 and was with Savier in many of his Indian raids. He married Miss Kyler about 1771. Her people lived at Beans settlement or Station near Clinch Mountain not far from the present town of Rutledge, Grainger County Tennessee.

John Hill and wife settled on the French Broad River at what now is Sevier County, (near Powder Springs) Tennessee about 1783 when the country was a wilderness.

Mr. Hill, Bean Hubbard, Morris Nichols, and other pioneer settlers fought together in many Indian battles. They lived, died and were buried in the Hill cemetery a few rods from where they settled. Their children names were James, Pharral, Jesse, Issac, Alexander, John, George, Randall, Elizabeth, Barcha and one girl whose name was not mentioned (possibly died in youth). James, Pharral and Jesse were in the early Indian wars, also Jackson at the battle of New Orleans in 1812. They settled in some place in Louisiana or western Texas. Isaac and Alexander went to Texas at the beginning of Texas' war with Mexico. They served with Sam Houston at the battle of San Jacinto, Texas, April 21, 1836. They settled in Texas near what is now Kaufman. Robert, John, and George settled in Talladega County Alabama. They lived, raised families and died there. Elizabeth Married Mr. Stover and Barcha married a Mr. Morris. They both raised a family and died. They were Hill Cemetery in Sevier County Tennessee. Mr. Randall was borned \_\_\_\_\_, married Miss Agnes Thomason and died in 1849. Their children's names were Robert, who was killed at Vicksburg while in action, serving in the Confederate Army and Jesse who married and raised a family. Died and was buried in the Hill Cemetery in Sevier County Tennessee.

George W. Hill, my father was born in 1832. He was married Miss Nancy Sandridge Thurman in 1852 and died in 1889. He was buried in the Hill cemetery in Sevier County Tennessee.

He served in the Union Army with Colonel John S. Phelps, Second Arkansas

cavalry.

Rhoda married Wyatt Nichols and raised a family, died and is buried at Hickory Ridge, Jefferson County, Tennessee.

Mariah married Charles Pate. They moved to near Ripley, West Tennessee. Raised a family and died there.

Randall Hill married his second wife, Miss Effie Jones. Sarah, the only child that lived was born in 1864 and married Wilson Catlett in 1865.

To this date, February 16, 1927 this is the best record I can find.

This cemetery is located on a hill overlooking the French Broad River. The plot was overgrown with grass and weeds, and it was impossible to locate any graves except the three rows above. These three rows of graves contained 5 stones without inscription. The plot was fenced and measured about 135X180 feet. The plot was pretty well free of saplings but did contain several large trees.

To reach this cemetery, drive toward Dandridge on State 66 to the road leading to Douglas Dam, turn right toward Sevierville, drive 3.3 miles. The cemetery is located about 275 yards from the road in a grove of trees at the top of a hill.

Head TC Terrell's Regt.

Galveston Texas, March 3rd 1864

The application of William G. Hill, Capt. Comp. "A", Terrell's Regiment, Texas A Cavalry would most respectfully state that he enlisted as a private soldier in Bass Regt. TC, March 22, 1862 and served without being absent on any account whatever until July the 7, 1862 when he was discharged by reason of the conscript law. The applicant was enlisted in this company which he commands December 1862 and has ~~not~~ been absent on sick leave or otherwise since that time.

The applicant states that his father departed this life July the 28, 1863 in Ashley Co. Arkansas leaving him a ~~considerable~~ <sup>considerable</sup> estate in negroes, money, cattle, horses, and other property and that said property is near the lines now occupied by the Federals where he is informed and believes unless soon removed to some other safer place will be captured and lost to him.

Applicant resided in Kaufman Co. Texas a distance of three hundred and fifty miles and ~~he~~ wishes a leave of absence sufficient in time to allow him to make arrangements to save his property. He thinks also in so doing in the mean time he can recruit his company.

Most Respectfully,

William G. Hill, Capt. Co. "A"

Terrells Regt. T. C.

*Bass's Regt. was a state militia unit that was never formally attached to the Confederate Army. There are no records of it in Washington but the Civil War Library at Hill Jr. College in Hillsboro may have some information.*
